

The Los Angeles Railroad Heritage Foundation

NORTH BY NORTHEAST

Field Trip –Not to be confused with Alfred Hitchcock’s

***North by Northwest* motion picture!**

Saturday the 11th of September, LARHF is offering another day with Ralph Cantos leading its Urban Archeology explorations of the Pacific Electric Northern District. We will also visit the Pasadena Model Railroad Club and the offices, archives and library of the Los Angeles Railroad Heritage Foundation.

Saturday – September 11, 2010

8:30 AM to 4:30 PM

Members \$65.00 • Non-members \$75.00

(Transportation, Lunch & Parking Included)

Join the Foundation, receive all of its benefits and save \$10.00

The Field Trip will leave promptly from the Los Angeles Union Station East Portal Bus Plaza at 8:30 AM. Boarding a deluxe coach we will proceed to the beginning of the PE Northern District at the PE 6th and Main Street Headquarters. Taking Main Street to where the line turned east at Aliso Street we will now have to use our imagination as only lingering vestiges of the line remain. Heading east and north toward Sierra Vista Junction we’ll continue along Huntington Drive to the Oneonta Junction and turn north on Fair Oaks traveling past the South Fair Oaks Yard to the Pasadena Car Barn site. Then along Colorado Blvd., to Lake Street to follow the Oak Knoll Line back to Huntington Drive. We will follow the Glendora/Monrovia line as far east as time permits. After lunch at the Barn Burner BBQ, where LARHF has installed its latest “satellite” exhibit, we have a date with the Pasadena Model Railroad Club and its marvelous *Sierra Pacific Lines* HO railroad layout. We’ll be able to view it from the operating floor, a special privilege for our group. Another stop on the tour will be a visit to LARHF’s headquarters for some refreshment and an opportunity to see its offices, archives and library. We plan to return to the METRO Bus Plaza at approximately 4:30 PM.

Parking at the Union Station METRO garage will be provided free with a LARHF coupon.

Directions to the parking garage from the east or west are on the reverse side of this flyer.

Please return this portion of the flyer with payment for your reservations.
